Python, JavaScript

Adobe Illustrator/Photoshop

OBJECTIVE

I am a junior currently enrolled at Arizona State University studying Graphic Information Technology and Full Stack Web Development. I am a strong and driven individual and student, eager to contribute and learn about rich user experiences. Motivated to learn, grow, excel in any new technical languages, web design, and development. I am curious, love problem solving, and passionate about all things tech.

EDUCATION

Arizona State University

Fall 2019 - Fall 2023

Bachelors of Science

Graphic Information Technology - Full Stack Web Development

EXPERIENCE

ASU Student Government

January 2022 - Current

Director of Graphics and Design

Created and maintained a brand guideline for the student government on student channels and social media. Designed logos, surveys, graphics, and forms for use in and out of the student government.

Starbucks

February 2020 - August 2021

Shift Supervisor

Led and mentored an 8-12 member team. Supervised, evaluated, and kept up teamwork and morale. Managed inventory up to \$12,000 a day.

Tutta Bella

June 2017 - May 2020

Bartender/Trainer

Provided training and development to a team. Managed inventory of \$250,000 of equipment and supply. Participated in development of new menu items and SOPs

American Income Life

November 2016 - June 2017

Benefits Representative

Provided sales and marketing services. Regularly interacted and collaborated with all levels of management. Routinely acted as assistant team leader.

Papa Johns

April 2014 - January 2016

Manager/Shift Leader

Managed crew, equipment, and all facilities. Planned and executed logistics and supply. Trained, developed, and scheduled employees.

Jiffy Lube

January 2016 - November 2016

Assistant General Manager

Interacted with customers, providing excellent customer service. Increased sales by upselling products and services. Trained and mentored all store-level employees.
